Volume VIII

Dunlap Township High School
Dunlap, Illinois

Foreword

Lives of great men all remind us

We can make our lives sublime,

And departing, leave behind us

Footprints on the sands of time;

Let us, then, be up and doing,

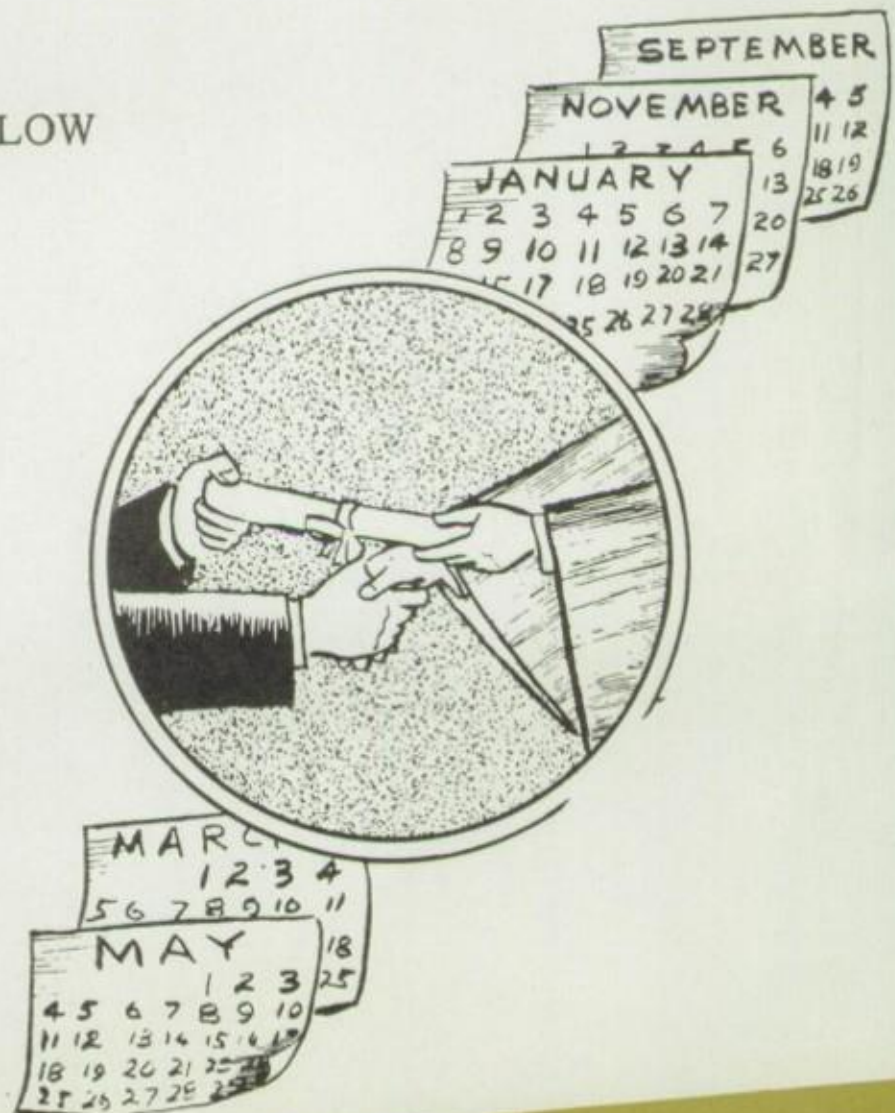

With a heart for any fate;

Still achieving, still pursuing,

Learn to labor and wait.

Mr.

M. H. HUFFMAN, PRINCIPAL
Valparaiso Law School; Illinois State Normal
University, B.Ed., 1925
University of Illinois, M.A., 1938; Graduate Study.
Business Education teacher and coach
at Minier, 1921-23.
Head of Business Education Department
at Rochelle, 1923-24.
Teacher, coach, and Principal at Dunlap High, 1925-60.
Aboard the battleship, Utah, in World War I.

For the past 35 years Dunlap High School has been very fortunate to have the services of Mr. Huffman. He began his career here as a business education instructor and athletic coach in 1925. In 1934 he became principal. It was his 1937 basketball team that advanced to the sectional finals, farther than any other Dunlap team has ever gone.

Mr. Huffman is a member of the Phi Delta Kappa and Kappa Phi Kappa educational fraternities. Also, he is listed in Who's Who of American Education. The Kiwanis, American Legion, Masons, and many professional organizations can be proud to claim him as a member. He is an active member of his church. There are very few people who will soon forget Mr. Huffman after he retires. He has always strived to instill in the students a desire to fulfill their educational, social, and athletic goals, and a realization of their responsibilities as future citizens of the United States.

A handwritten signature in blue ink that reads "M. H. Huffman". The signature is written in a cursive style with a large, stylized "M" and "H".

Mrs.

As the school's secretary Mrs. Huffman has been an invaluable aid to students and faculty alike. When she first started working here, it was on a temporary basis. Soon, however, she found it had become permanent.

Mrs. Huffman is prominent in many community affairs. She is an active member of the Rebekahs, American Legion Auxiliary, Eastern Star and others.

The Huffmans have one son, Robert, who is Supervisor of Field Service for the National Outdoor Advertising Bureau of New York.

MRS. HAZEL HUFFMAN, Secretary
Illinois State University, Diploma 1921.
Commerce teacher, Armington High School, 1921-22
Fourth grade teacher, Rochelle Grade School, 1923-24
Secretary, Dunlap High School, 1945-60

D. E. LOESCH, Tax Return Manager, Caterpillar; CHESTER PULLEN, Farmer; R. P. MISSEN, Realtor; DR. F. R. SENTI, Director of Northern Regional Research Laboratory; WARREN FRYE, Turkey Grower; CHARLES S. CLINE, Supervisor Inventory Control, Caterpillar; EARL SEIWELL, Receiving and Shipping Clerk, Stoker-Ola. Mfg. Co.

As the elected representatives of the people, the school board has the responsibility of providing a good education for all pupils in the community. The seven men on this board represent a cross-section of the professional and businessmen in the community who bring a range of talents and points of view to the service of the school. Assisted by the principal, they determine the educational policy, approve the choice of courses of study, and appoint the teachers. Theirs is the task of budgeting tax monies to meet the needs of the school. All expenditures for operation and maintenance must be authorized and approved by them. Beyond the present, they must look to the future needs of a growing community in a changing world. These duties demand many hours of the time of men interested in the education of our youth.

The Student Council is the only organization that affects the entire D. H. S. student body. Composed of representatives from the various classes and clubs, this group is in charge of the all-school activities.

The members plan the homecoming festivities, appropriate dances, run school elections, and sponsor the assembly programs. Last fall they were also responsible for distributing the individual pictures.

Mary, Thelma, and Charles record the votes cast in the homecoming elections.

F. H. A. is an organization for the development of better homemaking. To obtain the goals we have set, a much varied program is planned by the Executive Council with the help of Mrs. Lask, our advisor.

Throughout the year we try to carry out our creed ". . . where truth, love, and faith are realities, not dreams . . ." We help charity organizations, serve for adult organization suppers or banquets, and do many other community activities.

This year we started a "film a month" program as a way to keep our meetings more interesting. The Executive Council and Mrs. Lask picked the films so that they apply to the month. For example, the December film was about the Christmas season and the foods of the Christmas season.

The Executive Council, too, is something new. Here the president, vice-president, secretary, treasurer, and any other officer who has a problem, and a representative from each class meet to plan ways to make our F. H. A. better for our members.

Last year a former F. H. A. president was awarded the District P. T. A. Scholarship. She was also class valedictorian. This is an example of what kind of leaders our organization has. Barbara Lynn, who won the scholarship, is to be highly commended for her success in bettering our F. H. A.

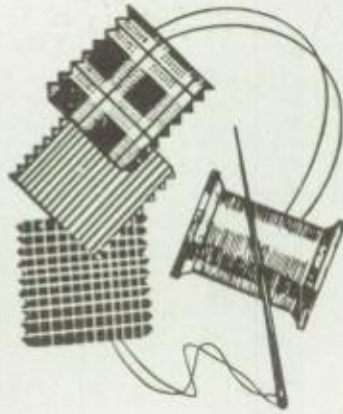

F. H. A. is truly one of the better high school organizations for helping girls become better leaders and citizens after they graduate and enter adult society. Through the members' participation in F. H. A. activities they begin to realize their responsibility in the adult world and how to carry out those responsibilities.

The Executive Council is looking through magazines for ideas for the betterment of F. H. A. The members are Judy Gardner, sophomore representative; Gloria Howe, secretary; Mrs. Lask, advisor; Sandy Meeks, vice-president; Sharon Stahl, president; Sally Wieda, treasurer; Jackie Wiley, student council representative; Carolyn Harlan senior representative, and Sandy Gardner, recreation chairman.

Millie Harwood, who won the Betty Crocker Homemaker Award, is looking for another recipe with which to work magic.

Patty Miller accepts trophy for Crisco Outstanding Home Economics student from Mrs. Lask, advisor. Congratulations, Patty!

PEP BAND IN ACTION

CHRISTMAS CONCERT, directed by Mr. Wagner.

Christmas at Dunlap High

The Christmas season at Dunlap High began with the drawing of names a few weeks before Christmas for a gift exchange. Each student, teacher, and custodian drew a name. The choruses rehearsed and practiced to get their best numbers polished and ready to sing.

On the Sunday afternoon preceding Christmas Mr. Wagner presented the choruses. The outstanding number in the program was the "Hallelujah Chorus" from Handel's "The Messiah." The audience joined the chorus in the singing of several carols as the joys of the Christmas season filled the air.

We had our school Christmas party on December 22. We exchanged gifts and received candy and cookies made by the Home Economics classes. After the party school was dismissed for Christmas vacation.

Chorus

The forty members of the Varsity Chorus took February 15 off for an all day tour of three area high schools--Henry-Senachwine Consolidated in Henry, Hopkins Township in Granville, and Brimfield High.

The first concert was given in Henry at 10:15. There, the mixed chorus sang "Sanctus," "The Creation," "The Lord's Prayer," "Good News," "The Waltzing Cat," and "Showboat Medley." The boys sang "Dry Bones" and "Kentucky Babe;" "Eggs and Marrowbone" was the girls' chorus number. Special numbers were "Summertime" by Mary Holland, "People Will Say We're in Love" by Paul Tolley, "I Don't Know Why" by the girls' barbershop quartet, "Holiday" by Sue Burnett and Jeanine Lisenbee at the piano, and "Liza" by Bob Anderson on the cornet, Mr. Wagner at the piano, and Rose Dunlap on the snare drum.

Even though they passed through Granville without realizing it and had to back track, the students were ready in plenty of time for a 1:00 concert at Hopkins. Special numbers were "The Holy City" by Joe Masterson, "If I Loved You," a duet by Mary Holland and Joe Masterson, and the clarinet trio doing "Clarinet Polka."

At 7:30 the final concert of the day was given at Brimfield. This program combined all numbers used in the previous concerts plus "The Surrey With the Fringe on Top" by the girls' chorus and "Drummers' Patrol" by the drum quartet.

The noon meal was eaten at a Henry cafe and paid for by the Music Boosters. Chorus and band members of Brimfield High School met the bus and took our chorus members home with them for supper. This was one of the outstanding points of the whole tour as viewpoints were exchanged by all students on practically all topics. At suppertime, everyone was very well fed and in most cases nearly over fed.

Traveling with the group as chaperons were Mrs. Hoffman and Mrs. Brattain while Mr. Thurman did the driving.

Jerry Thompson, Jim Johnson, and Bob Anderson took care of setting up the risers and all instruments. They had help from everyone when it was needed.

Before returning to good old D.H.S., after a long day, everyone stopped in Peoria for a snack.

On March 20, 1959, the curtain went up on "Murdered Alive", the Junior Class Play. This was a three-act mystery comedy which took place at Hillcrest, the estate of Marvin Ryder, the inventor. Upon the disappearance of Mr. Ryder, evidence was found to indicate that he had met with foul play. His relatives gathered at Hillcrest for the reading of the Will and were terrified by the strange goings-on. The switch ending was the appearance of a mysterious stranger, Marvin Ryder in reality; he then informed the relatives that he was very much alive, and he had been working in secret on an invention.

The Latin Club is a very active organization open to all students who have completed one semester of Latin.

The climax of our year is the Roman Banquet. It's an authentic reproduction of a first century meal in Roman style. It is financed by the annual Slave Day earlier in the year. This is when the club's members are hired out as "slaves" to work at various jobs. The money earned is put in the club's treasury.

Because of the rapid growth of the club we were able to build a float for the homecoming parade. We were the first Latin Club to do this for several years.

Eleventh Annual Homecoming

The gala homecoming activities of Dunlap High School started on October 15, 1959, with a bonfire. The school spirit was greatly aroused when Co-Captains of the football team Bill Pullen and Wynne Carter, Coach White, Coach Harn, and Charles Siegfried spoke. The Cheerleaders led everyone in yells and a snake dance around the bonfire.

Two o'clock, October 16, 1959, was the starting hour for the parade. This was the biggest and best parade that Dunlap has ever had. It consisted of seven floats, horsemen, clowns, king and queen candidates, football players, the marching band and drill team. The parade ended at the football field where the pep rally took place. Student Council President Charles Siegfried announced the winners of the floats: G. A. A. --first, juniors--second, and the seniors--third. The awaited moment of the announcement of the king and queen of 1959 was made. King Tom Detra, a senior, and Jeanine Lisenbee, a junior, were elected to the royal positions. Their attendants were Jack Sniff and Karen Herrmann, freshmen; Nyle Sturm and Karen Kammerer, sophomores; Jack Frank, junior; and Karen Cox, senior.

At eight o'clock our Dunlap Eagles kicked off to Wethersfield's Flying Geese. The Eagles wanted a victory and they got it. Tom Detra ran 57 yards for the first touchdown. Chuck Ford scored twice as did Joe Masterson. The final score was 33-0.

The homecoming festivities were climaxed by a dance in the old gym after the game. The music was furnished by Ron Wagner's orchestra. King Tom and Queen Jeanine were crowned by Coach White. Everyone will always remember the 1959 homecoming as the best ever.

Around the World

Seniors shake into first place.

Juniors journeyed to third.

Adding to the number of events sponsored by the junior class was the Junior Carnival. This annual event was held on April 15, 1959. The juniors worked long and hard to make it a success. They chose as their theme, Around The World. Pertaining to their theme, each booth was decorated to represent a different country. Such countries as Spain, France, China, and many others were represented.

As a regular part of the program, the classes presented their stunts. After careful consideration by the judges, the seniors received a first place rating as they took us around the world ending in Hawaii.

The sophomores received a second place as they showed us the world through the eyes of the Navy. Some scenes of interest were the can-can girls in France and the hula girls of Hawaii.

The juniors took third with their impersonation of a famous television program they called Nation to Nation with Edward R. Burrow.

Being new at the idea, the freshmen received a fourth place. They based their stunt on an international beauty contest. Beauties from all over the world were represented. This contest was judged by Bret Maverick, Bat Masterson, and Chester.

The climax of a wonderful evening came when Nancy Wiley was crowned carnival queen.

Sophomores sway into second.

"I promise to uphold the ideals of the Girls' Athletic Association,
By promoting interest in athletics and the out-of-doors,
By living so that I may be healthy and strong,
By making good sportsmanship a constant factor in my conduct."
--Initiation Pledge

The main purpose of the Girls' Athletic Association is, naturally, to increase interest in girls' athletics. Other aims are good sportsmanship and physical fitness.

As in previous years competition among the four classes was very keen during the tournaments. The softball tournament was split this year; the first round of games was played last fall, while the last two were held this spring. Volleyball, second of the required three tournaments, was held during December. However, both of these were climaxed by the basketball tournament. Tension and excitement ran high as the four teams vied for the medals given to the members of the first place team. The finals, complete with cheerleaders from the D-Men's Club, were again open to the public.

Other sports offered this year were deck tennis, aerial darts, bowling, and swimming. During the first semester several girls bowled at the Crossroads Bowling Lanes on Monday afternoons. Much interest was shown for this new activity, and it will probably be offered again next fall. A few of the girls completed swimming courses at the Y. W. C. A. for G. A. A. points.

Each activity period spent in G. A. A., each game bowled, or each swimming course counts three points toward a girl's award. The local club furnishes the first and second year awards, while the third and fourth come from the state G. A. A. office in Chicago. Seventy-five points are necessary for the first award, and with each additional seventy-five points another award is earned.

Twice a year representatives from the various schools in the area assemble for play days, which consist of a series of games. During the past year Richwoods and Woodruff High Schools acted as the host schools. Both play days were attended by members from Dunlap.

An officers' workshop, held in Kewanee last fall, was attended by three of our officers.

Special activities for the year included a weiner roast in September, Mom's Night in November, the G. A. A. - F. H. A. Caroling party just before Christmas, and Initiation in January.

One of the G. A. A.'s proudest achievements this year was the first place float in the Homecoming parade. In keeping with the theme, Foods, the float was entitled, "A Toast to Victory." Four lovely members toasted the giant victory punch bowl.

To earn money the girls sold school sweatshirts, mascot dolls, and school bracelets. They also sponsored a bake sale and two dances. Together with the D-Men's Club they held a chilli supper in December.

The first of the dances was the annual girl-ask-boy Sadie Hawkins Dance. Karen Lynn and Gary Weber took first places as the best Dogpatch representatives. Runners-up were Judy Garland and Chuck Ford.

Fred Hess provided the music for the Christmas Semi-Formal, held on December 19. This was the first year the G. A. A. had sponsored such a dance.

The profits were used to buy local awards and send two representatives to camp.

Leadership Camp for this district is held at East Bay Camp on Lake Bloomington. As each club can send only two representatives, it is indeed an honor to attend.

The officers of this year have been:

Judy Romersberger	President
Nancy Carmody	Vice-President
Patty Miller	Secretary
Mary Holland	Treasurer
Kathy Sipp	Student Council Representative

Most of the credit for the year's accomplishments goes to the officers and Mrs. ter Veen, the G. A. A. sponsor for the past eight years.

New Trophy Case

Emblem

The D-men's Club is made up of boys who have earned one or more major letters in sports and have a C average on their report cards.

This year the D-men's Club donated a new trophy case to the school. It is made out of birch and has sliding glass doors and adjustable glass shelves. The carpentry work was donated by Bob Purtscher.

The money to build the trophy case was raised by the D-men's turkey raffle, chili supper, and dance. Additional money was donated by the class of '59.

This year the D-men's Club also adopted an emblem. It is a round patch with a gold eagle and a white background with D-men's Club printed on it in maroon.

SCHOOL SONG

Dunlap High, Rah, Rah! Dunlap High, Rah, Rah!
It's our school, It's our team;
Always cool, on the beam.
Dunlap High, Rah, Rah! Dunlap High, Rah, Rah!
Maroon and Gold, soaring high;
Knocks them cold, Dunlap High.
On the field, on the floor;
With our team we are always the best;
For we know the way and we're proud we can say
Dunlap High leads the rest. Rah, Rah!
D-u-n (clap, clap) L-a-p (clap, clap)
Who Rah? We Rah!
Dunlap High Rah. Rah!

This year's football season turned out to be very successful. We won five, while losing two and tying one. There were ten seniors on the squad: Tom Detra, Wynne Carter, Don Kindilien, Chuck Ford, Bill Pullen, Jim Wolland, Phil Marquis, Al Gratton, Gary Weber, and Floyd Starnes. We also had five seniors on the All-Conference teams.

This year the team was especially proud of its defense. In eight games only 41 points were scored by the opponents. This was the best defense in the Blackhawk Conference and one of the best in the area.

VARSITY: Tim Sweborg, Gary Weber, Wynne Carter, Don Kindilien, Al Gratton, Bob Miller, Dave Tolley, Joe Masterson, Steve Cornish, Jim Koehl. Manager, Joe Dunlap.

Coaches White and Harn

This year the overall balance of the Eagles helped make up for lack of size. The seniors on this year's team were Al Gratton, Wynne Carter, Don Kindilien, Bob Miller, and Gary Weber. There were three juniors and two sophomores on the varsity squad.

We finished fifth in the ten-team Blackhawk Conference, which includes Dunlap, Toulon, Princeville, Wyoming, Galva, Elmwood, Wethersfield, Bradford, Manlius, and Walnut.

We participated in the Henry Invitational Tournament, in which we won second place, and in the Princeville Holiday Tournament. In the Regional Tournament in Kewanee we were beaten by Annawan.

The Frosh-Soph team finished tied for fourth in the conference standings and played in the Frosh-Soph Tournament in Elmwood.

NOW **it's my turn...**

Now, it's my turn to earn my place in our community . . . in our country. Someone before me had his turn . . . someone built the schools I attended . . . someone subscribed to the hospital building fund . . . someone worked on the fund drives for church and charity . . . on Scout committees . . . on the thousand and one civic affairs that weave strength and character into this country of ours.

Someone . . . in fact, many . . . were good citizens before me.

Now, it's my turn to take up the responsibilities of citizenship. I know I will be a good citizen only if I make up my mind to be . . . that I will reap the rewards of good citizenship only if I invest in them . . . that I and millions like me will determine the kind of community and country we will live in. Strong communities mean a strong Nation.
